

4 – Day of the Breakfast Information

Public Transportation

As an environmental organization, we encourage you and your guests to take public transportation to our breakfast.

Metro Bus

There are 4 King County Metro Bus stops that are on the same block as the Westin Hotel. Routes that stop at these stops are: 17, 41, 66, 70, 71, 72, 73, 76, 77, 79, 98, 106, 107, 150, 191, 301, 304, 308, and 355. There are additional bus stops in the area as well.

South Lake Union Trolley/Streetcar

The Streetcar makes a stop right in front of the Bank of America which is located right across the Street from the Westin. The Streetcar runs approximately every 10 – 15 minutes.

Parking

At the Westin

The Westin Hotel has valet and self-parking available to all event guests. Guests are charged \$16 for valet and \$15 for self park for any time up to two hours. For 3 – 4 hours the prices change to \$19 and \$17 respectively. Valet parking is best accessible when traveling south on Westlake Avenue. Self parking is best accessible when traveling north on 6th Avenue.

Additional hourly parking is available through the various lots and parking ramps surrounding the Westin. It should be noted that the parking structure that is easily accessible by heading south on 5th Avenue is roughly \$8 per hour and is connected to the hotel via skybridge. Street parking is also available but will be difficult to find on a work day. It is only \$3.00 for two hours but your car will be ticketed once the time runs out.

Inside the Westin

Once you are inside the hotel, there will be signs that direct you towards the Grand Ballroom and Foyer. In case you do not see these signs, take the north escalators or elevators to the 4th Floor (also called the Grand Level).

Registration

Sponsors, Earth Angels and Table Captains will have a separate registration table. Registration for all other guests will be organized according to last name. Please resist the urge to pick up the nametags of your guests! While it may make it easier for some guests, it can add confusion to others.

Coffee & Tea Service

There will be coffee & tea service available once registration opens. The stations will be located right inside the Grand Ballroom and available to everyone once they have checked in at the registration tables.

Thank you for being a dedicated volunteer and supporter!
